CHAMPION GYMNASTICS PAYMENT POLICY

Champion Gymnastics has chosen to average tuition monthly. Some months will have more classes than others. We have two sessions per year: Summer and School Year. You may enroll mid-month and your fees are prorated accordingly. The gym, like schools are also forced to close on some days due to inclement weather, but sometimes weather warnings are an issue. We do our very best to be open. We do not refund for missed days as these are already figured into the tuition rates.

Class fees are due on or before the first class of the month. We can charge the on-file credit or debit card on the first of the month or you may pay by cash or check by the first class of the month for monthly fees. We prefer automatic payment to ensure your class spot. Please be sure we have your **current card** on file. Expired or declined cards are considered as past due.

Deployed military family should stop in the office and let us know please, you got our backs so we got yours.

If your payment is not received on or before the first class of the month your student will be un-enrolled from the class. You might be able to re-enroll the child in the class. We may have a waiting list for that class, which means your class slot may be filled immediately by another student. Please use one of our automated payment methods to avoid disappointment and hurt feelings.

Life happens to all of us. If you are running into an issue in making a payment on time please contact the office and let us see if we can help to offer a solution, rather than un-enrolling the class or missing the payment deadline.

CHAMPION GYMNASTICS ATTENDANCE POLICY
